BOOK SYNOPSIS

CLEP is the most popular credit-by-examination program in the United States, accepted by more than 2,900 colleges and universities. For over 15 years, REA has helped students pass the CLEP and earn college credit while reducing their tuition costs. Targeted review covers all the material you'll be expected to know for the CLEP College Algebra exam and includes a glossary of must-know algebra terms. REAs focused content and practical advice have helped millions succeed on their exams. With our step-by-step plan, you can score high on the CLEP and earn the college credit you deserve. The ONLINE REA Study Center gives you the most powerful scoring analysis and diagnostic tools available today. The [online] diagnostic test pinpoints where you're strongest and where you need to focus your study. Armed with this information, you can personalize your prep and review where you need it the most. Two full-length practice tests feature automatic scoring, detailed answer explanations, and diagnostic score reports that build your confidence for exam day.
