BOOK SYNOPSIS

The Wiley CPAexcel Course Outlines are updated bi-annually, map perfectly to the Wiley CPAexcel Courseware outline and structure, and feature Bite-Sized Lessons. Provided in printed format for all four sections of the CPA Exam; the REG section includes 1 volume. Each course outline is a series of Bite-Sized Lessons. Each lesson usually consists of 3 to 10 pages of study material. The content of each course outline is identical to our courseware at the date of printing. Separate course outlines(s) for each exam section covering the complete scope of the AICPA content specification. Course outlines map perfectly to our courseware outline and structure. No cross-referencing is required. At the front of each course outline is advice from the author concerning the emphasis of the questions on the CPA Exam, as a guide to students completing their studies.
