BOOK SYNOPSIS

A pocket-sized gem, this little book is the first in a line of Mandala "deity works" - we begin with one of India's most beloved icons, Ganesh. This elephant-headed God symbolizes possibility and transcendence from obstacles. Stationed at a sacred threshold, Ganesh is being reintroduced as a modern and universal torchlight for the curious, inquisitive seeker in all hearts. Both traditional and contemporary artists gorgeously illustrated Ganesh in full color.
