BOOK SYNOPSIS

James & Reina begin to build their life together and find a happy balance of intense love and passionate desire. They challenge, support and complete one another, each providing what the other needs. But secrets and something menacing are lurking in the shadows. When their relationship is challenged in ways Reina could never have imagined, and in ways James can't completely control, will they be able to weather the storm or will their fiery passion become ashes in the wind. This book can be read as a standalone, but will be better enjoyed if you start at the beginning with "Willing Surrender". Contains an alpha male, explicit sex, bondage, spanking, non-sexual violence, witty banter, and life-long friendships all served with plenty of coffee
